<b>REFLEXOLOGY</b>	JUNIOR	SENIOR
1st Session		£30.00
Every Session After		£25.00
<p>This is a holistic complementary therapy dating back to ancient China and Egypt. Using the foot as a representation of the whole body, a reflexologist can help to unblock and rebalance energy pathways that have become disturbed and stimulate the body's self healing process. It is achieved by working on specific foot reflex points to break down toxins and correct imbalances thereby restoring the energy flow and creating harmony within the body systems.</p>
